520 Fellowship Rd Ste. E-501
Mount Laurel, NJ 08054

The new **Arctic Freeze 850 Ice & Water Dispenser** provides room-temperature water and ice in a single compact system. The built-in ice-maker makes up to 20 lbs. of ice per day and can store up to 11 lbs. at one time. The dual evaporator refrigerated compartment keeps ice Frozen and available anytime. It has easy-to-use touch-sensor dispensing buttons and a recessed faucet that is designed to eliminate hand contact for better hygiene. The stainless doors have silver gray accent that gives a modern look and sleek design.
